

FY2007 REPORTING SCHEDULE

Principal investigators of a funded project of the Idaho Technology Incentive Grant program are required to give a brief progress report with a final summative report upon completion of project for any given fiscal year funded.

Below is a schedule outlining each grant number for FY07 and the due dates of their reports. The grants and contracts officer or the designated research officer at your institution is responsible for monitoring and assisting with the administrative management of the projects and ensuring that these progress and final reports are submitted by the due dates given.

If a grantee requires an extension, the request must be submitted via email to the State Board of Education's Chief Academic Officer or Mitzi Matts at mitzi.matts@osbe.idaho.gov for consideration and action.
